Offer of Fruit Tree Seeds No 3
B/R

16th July 1937.

Dear Sirs,

Pretty good prospects for the this season's crop induce us to submit you already to-day a offer of fruit tree seeds.

The low prices which this offer shows, we can concede only for those orders which we receive in the month of August. Later on when crop will be finished a rise of the prices is to be expected.

Therefore we offer you subject to good crop:

	<u>1 lb</u>	<u>100 lbs</u>
Amygdalus persica, Natural Peach	-.12	10.60
Armeniaca vulgaris, Apricot	-.10	7.20

" " Apple, French seed	-.62	50.40
Robinia pseudoacacia, Common Black Locust ..	-.15	12.60
Rosa canina, Rose seed	-.10	8.--

prices are made in U.S.A.\$, from here, for one lb and 100 lbs. The 100 lbs rate is charged, if at least 25 lbs of one variety are taken, packing excluded. If you wish to do so, we are disposed to pack the seeds in charcoal or oiled paper in order to prevent them from desiccating.

All seeds offered are well cleaned, of the new crop and best germinating faculty.

Awaiting your valuable commands, if possible by cable, we assure you of the best service.

Yours very truly
